**ALL-SPA INCLUSIVE**

21st-century life is fast and frantic. That's why we invite all of our guests to slow things down a little and enjoy daily spa treatments (or "journeys" as we prefer to call them) at no extra cost. It's all included in the room rate.

Maia Spa Cam Ranh has developed a range of holistic treatments which focus on the body's natural intelligence and ability to heal itself through a fusion of Western and Eastern wellness practices. Maia incorporates a wide variety of herbs, oils and essences, all blended with ingredients sourced from the local environment and our in-house permaculture herbarium to ensure a truly bespoke experience.

Please find enclosed our spa menu and reservation form for your clients' information. To avoid disappointment, we kindly ask that guests book their first two spa visits in advance. Of course, if your clients prefer not to plan ahead, that's no problem either. Just give us as much notice as possible and we'll do our best to fit them in. After all, it's their vacation, not ours.
